

We invite Suppliers to dialogue on Nordic Tenders

Denmark, Norway, Iceland, Region Skåne in Sweden and HUS Group in Helsinki, Finland are in the process of preparing the next joint Nordic tenders for pharmaceuticals. In this connection, Amgros in Denmark, Sykehusinnkjøp Hf in Norway, Landspítali in Iceland, Region Skåne in Sweden, and HUS Group in Finland would like to invite relevant suppliers to a dialogue meeting on the upcoming tender.

We invite both suppliers familiar with Joint Nordic Tenders and new suppliers.

The new joint Nordic tender is expected to include these selected pharmaceuticals, in the following collaborations:

- Amgros, Landspítali, Sykehusinnkjøp, Region Skåne and HUS Group: Ampicillin, Ciprofloxacin, Benzylpenicillin and Vancomycin.
- Amgros, Landspítali, Sykehusinnkjøp and HUS Group: Piperacillin and beta-lactamase inhibitor, Cefuroxime, Gentamicin, Metronidazole and Meropenem.
- Amgros, Landspítali, Sykehusinnkjøp and Region Skåne: Paracetamol.
- Amgros, Landspítali and Sykehusinnkjøp: Ondansetrone, Hydrocortisone, Fluconazole, Aciclovir and Methotrexate.

The pharmaceuticals mentioned are all for IV administration. We expect the start of the purchasing period for the new Nordic agreements to be April 1st, 2028.

The online dialogue meetings take place in September and October 2026 with a duration of approx. 1 hour.
