

We invite Suppliers to dialogue on Nordic Tenders

Denmark, Norway, and Iceland are in the process of preparing the next joint Nordic tenders for pharmaceuticals. In this connection, Amgros in Denmark, Sykehusinnkjøp Hf in Norway, and Landspítali in Iceland would like to invite relevant suppliers to a dialogue meeting on the upcoming tender.

The new joint Nordic tender is expected to include these selected pharmaceuticals:

- Treosulfan
- Methotrexate
- Cladribin
- Cytarabin
- Fluoruracil
- Vincristin
- Vinorelbin
- Vinflunin
- Etoposid
- Topotecan
- Trabectedin
- Daunorubicin
- Epirubicin
- Idarubicin
- Mitomycin
- Arsentríoxid
- Bendamustin

All the mentioned pharmaceuticals are for intravenous (IV) administration. The new Nordic agreements are expected to take effect on October 1, 2027.

The online dialogue meetings will take place in December 2025 and January 2026, each with a duration of approximately 1 hour.

We primarily seek your input on previous tenders, upcoming tenders, and timelines.
